

# Escape with Shopping Small and Local

The artists, staff and owners of The Escape wish to extend a big Thank You to all their customers – local and from afar – who so generously support this local small business, who value the uniqueness of handmade art and who share that with their dear ones. Your support not only enables The Escape team to bring you a broad and unique slate of art work but also makes a considerable difference for the artists creating them.

*Thank You from The Escape*
